

The East Wellington Family Health Team (EWFHT) is happy to announce that Dr. Blair Cappel joined our team on June 4th, 2017. He is working out of our Erin Medical Clinic.

Dr. Cappel recently finished his medical residency in family medicine at the University of Toronto and covered a maternity leave for our team from October 2016 until he began with us in June 2017. The team has once again gone through a rigorous recruitment process. As a result, we feel Dr. Cappel will be an excellent addition to our team.

If you are not currently a patient of the EWFHT and are interested in becoming a patient of the EWFHT, please come to the Erin clinic (6 Thompson Cr., Erin) to pick up an enrolment package. This needs to be completed and submitted ASAP so that we can complete the rostering process. Anyone over 16 years of age must sign their own form and have a valid Ontario health card. (Enrolment will close without notice.) You will be contacted by staff to arrange a “meet and greet” appointment with Dr. Cappel.

We ask for and appreciate your patience in advance, as the process to register and enroll new patients with a new physician takes time.

Thank you,
East Wellington Family Health Team
