Re: Open Building Permits

If you currently have an open building permit on your property, it is your responsibility to ensure that all building permits receive a positive final inspection in order for the Town to consider the file closed.

The Building Code Act, section 8, subsection 8(10), sentence (c) states that, *subject to section 25, the chief building official may revoke a permit issued under this Act, if construction or demolition of the building is, in the opinion of the chief building official, substantially suspended or discontinued for a period of more than one year.*

If you have completed your project and would like to request a final building inspection, feel free to send an email to:

buildinginspectionrequest@erin.ca

Thank you,

Paul Evans, CBCO
Chief Building Official
