

Deadline Extended for 2020 Environment Award Nominations

The Town of Erin's Environment and Sustainability Advisory Committee (ESAC) is seeking nominations for our 3rd annual **ESAC Environment Award**. The award recognizes actions, projects, initiatives, education, stewardship or art that contribute to enhanced environmental sustainability within the Town of Erin. Nominees may be individual citizens, businesses, farms, service clubs, organizations or schools located in Erin.

The award (**\$500**) will be selected by ESAC and presented at an upcoming Council Meeting.

To apply, **in 500 words or less**, please describe your program/project/initiative and how it has contributed to improving environmental sustainability in our town. Please include when the program/project/initiative was initiated and evidence of improved environmental and sustainability outcomes. Also indicate whether the program/project/initiative can be scaled up or duplicated. You may include a separate page of supporting information (i.e. links, photos, videos).

Nominations must be submitted to Lisa Campion (clerks@erin.ca) by **May 31, 2020**. Please include your contact information (name, phone, and email) with your nomination.
