## **DEVELOPMENT CHARGES**

### Purpose of Development Charges

The general purpose for which the municipality imposes development charges is to assist in providing the infrastructure required by future development in the municipality through the establishment of a viable capital funding source to meet the municipality's financial requirements.

The Council of the Town of Erin passed By-law No. 2019-32 on July 22nd, 2019 under subsection 2(1) of the *Development Charges Act, 1997*. This By-law identifies 'Town-wide services' and 'Water supply services' and includes a schedule of rates which apply to both residential and non-residential development. On an annual basis (Jan 1<sup>st</sup>), these rates are indexed.

The Council of the Town of Erin passed By-law No. 23-08 and By-law 23-09 on July 13, 2023, and is effective as of July 13, 2023 to amend By-law No. 2019-32 and By-law No.20-40.

### Development Charges Rules

The main rules for determining if a development charge is payable in a particular case, and for determining the amount of the charge are as follows:

1. Development Charges By-law No. 2019-32 and By-law No. 20-40, amended by By-laws 23-08 & 23-09 apply to all lands in the Town of Erin. Charges relating to municipal water and sanitary sewer services apply only to development receiving the respective services, based on provisions in the by-law.
2. Development charges for Water System Supply, Water Distribution Services, Sanitary Sewer Service, Wastewater Treatment Services, Roads Services and Public Works Services shall be calculated and be payable at the time of execution of a subdivision agreement or an agreement entered into as a condition of consent. The development charges for the other services shall be calculated and be payable on the date the first building permit is issued.

3. The following uses are wholly exempt from development charges under the by-law:
- Lands owned by and used for purposes of a municipality, local board thereof. Or board of education;
  - An interior alteration to an existing building or structure which does not change or intensify the use of the land;
  - The enlargement of an existing residential dwelling unit, or the creation of one or two additional units where specific conditions are met;
  - The enlargement of the gross floor area of an existing industrial building where the gross floor area is enlarged by 50 percent or less of the original gross floor area of the industrial building prior to the first expansion;
  - A public hospital exempt from taxation under section 3 of the Assessment Act;
  - A non-residential farm building, except for the gross floor area in a greenhouse used for retail sales.
4. A reduction in development charges under the by-laws is allowed in the case of a demolition or redevelopment of a residential, non-residential, or mixed-use building or structure, provided that the building or structure was occupied, and a building permit for the redevelopment of the land was issued within five years of the issuance of the demolition permit.

### **Statement of the Director of Finance and Treasurer**

As required by the Development Charges Act, 1997 as amended and Bill 73, the Director of Finance and Treasurer for the Town of Erin must prepare an annual financial statement reporting on the status and transactions relating to the development charge reserve funds for the previous year. This statement is presented to the Council of the Town of Erin for their review and may be reviewed by the public with the permission of the Clerk's Department during regular business hours.

Development charges imposed pursuant to this By-law shall be adjusted annually as of January 1<sup>st</sup> each year, in accordance with Third Quarter of the prior year, Non-Residential Construction Price Index.
