## ERIN SEWAGE PUMPING STATION Generator Site Work

**Contract: 2022-03W**

The Town is constructing a Sewage Pumping Station in Lions' Club Park in Erin Village as part of the Council-approved Erin Wastewater Servicing Project. This work includes a backup power generator to be installed at the north-west corner of William St. and the Erin Town access road.

Construction on this generator site will commence this week with the drilling of two boreholes followed by site clearing and then the infrastructure work. The generator site will be restored with new trees and vegetation.

**Anticipated Construction Completion: Fall 2025**

*\*Timeline is subject to change.*

### WHAT TO EXPECT DURING CONSTRUCTION

- You will experience inconveniences such as increased truck traffic around the area, dirt on roads, dust and noise. Access to your property will be maintained at all times.

### MORE INFORMATION AND CONSTRUCTION UPDATES

We apologize for any inconvenience caused and thank you for your cooperation and patience as we work to improve the infrastructure in Erin Village. The Town and their Contractor will make every effort to minimize impacts to the community during construction. **Local businesses will remain open and accessible throughout the construction period.**
