

## 2017-2018 Town of Erin Winter Notices

The 8th Line from Dundas St W south to the foot of “Manchie’s Hill” will be closed from November 14th 2017 to April 3rd 2018 and will not receive winter maintenance. There will be no through traffic past 5488 8th Line, just south of the hill, therefore Erinwood subdivision will only be accessible from the Wellington County Road 124 entrance to the 8th Line.

During the winter season, Town operators require your cooperation regarding obstructions at the end of driveways. If you have a feature at the end of your driveway beyond the ditch line or curb, please remove or relocate it to ensure the safety of the Town operators, Town equipment and all residents. Your cooperation is greatly appreciated.

The Town of Erin By-Law 5000-05 does not allow parking on any Town road from 2:00am – 6:00am from November 1<sup>st</sup> until March 31<sup>st</sup>. Residents are encouraged to keep in mind the challenges of plowing snow around parked cars. Thank you for your cooperation.

Please contact the Town of Erin Roads Department should you require any more information.
