Town of Erin thanks Derek McCaughan for his service as Interim CAO

March 8, 2017

FOR IMMEDIATE RELEASE

It is with regret that I announce that Derek McCaughan will be leaving the role of Interim CAO with the Town of Erin, effective end of business on Friday March 10, 2017.

Derek came into the role with over 30 years of experience in various positions with the City of Guelph, the last 12 in an executive role. Mayor Alls and Town Council asked Derek to provide leadership and stability to the organization for this interim period, and wish to express sincere thanks to Derek for this achievement, and for his accomplishments during his tenure. Derek has built a solid foundation, and began a number of initiatives that will be built on to continue to move the Town forward in the months and years ahead.

We wish Derek much success in his future endeavours.

Mayor Allan Alls
