

**JOIN US FOR AN UPCOMING COMMUNITY EVENT:
HILLSBURGH CREEK CLEANUP**

The Hillsburgh creek is an important part of the Upper Credit River watershed system and has potential to be habitat for cold water fish species such as brook trout.

Join us during this morning event to help clean up the waterway or just to meet some of the chapter members. Learn about some of the projects underway within the upper Credit River watershed.

Date and time: Saturday August 11, 9 to 11 a.m.

Meeting location: Victoria Park parking lot

Clean up location: Hillsburgh creek from Trafalgar road to Covert Lane

Please dress for the weather.
