To the Members of Council, Inhabitants and Ratepayers of: The Corporation of the Town of Erin

We have audited the accompanying consolidated financial statements of The Corporation of the Town of Erin, which comprise the consolidated statement of financial position as at December 31, 2015 and the consolidated statements of operations, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, these consolidated financial statements present fairly, in all material respects, the consolidated financial position of The Corporation of the Town of Erin as at December 31, 2015 and the consolidated results of its operations and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2015**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The consolidated financial statements of The Corporation of the Town of Erin are the representation of management prepared in accordance with Canadian generally accepted accounting principles for governments as established by the Public Sector Accounting Board. Since precise determination of many assets and liabilities is dependent upon future events, the preparation of periodic financial statements necessarily involves the use of estimates and approximations. These have been made using careful judgments.

(a) BASIS OF CONSOLIDATION

- (i) These consolidated financial statements reflect the assets, liabilities, sources of financing and expenditures for the revenue fund, capital fund, reserve funds and reserves and include the activities of all committees of Council and the boards and municipal enterprises, which are under the control of Council:

- (a) Town of Erin Business Improvement Area
- (b) Ballinafad Community Centre
- (c) Town of Erin Tennis Club

All interfund assets and liabilities and sources of financing and expenditures have been eliminated with the exception of loans or advances between reserve funds and any other fund of the municipality and the resulting interest income and expenditures.

- (ii) The taxation, other revenues, expenditures, assets and liabilities with respect to the operations of the school boards and the County of Wellington are not reflected in the municipal fund balances of these financial statements.
- (iii) Trust funds and their related operations administered by the municipality are not consolidated, but are reported separately on the Trust Funds' Statement of Continuity and Statement of Financial Position.

(b) BASIS OF ACCOUNTING

- (i) Sources of financing and expenditures are reported on the accrual basis of accounting with the exception of principal and interest on long term liabilities which are charged against operations in the periods in which they are paid. The principal and interest charges are not accrued for the periods from the dates of the latest installment payments to the end of the financial year.
- (ii) The accrual basis of accounting recognizes revenues as they become available and measurable. Expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.
- (iii) Capital outlay to be recovered in future years, which represents the outstanding principal portion of unmatured long term liabilities for municipal expenditures or capital funds transferred to other organizations, is reported on the Consolidated Statement of Financial Position.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

(c) INVESTMENTS

The investments held by the municipality are recorded at fair market value.

(d) DEFERRED REVENUE AND DEFERRED CAPITAL FUNDING

Revenue restricted by legislation, regulation or agreement and not available for general municipal operations is reported as deferred revenue or deferred capital funding on the consolidated statement of financial position. The revenue is reported on the consolidated statement of operations in the year in which it is used for the specified purpose.

(e) AMOUNTS TO BE RECOVERED

Amounts to be recovered are reported in the municipal position on the Consolidated Statement of Financial Position. The balance represents the outstanding principal portion of unmatured long term liabilities, liabilities not yet due, and other future expenditures not yet levied on the ratepayers.

(f) REVENUE RECOGNITION

Taxation revenue is recognized in the period in which the tax is levied. Fines and donations are recognized when received. Other revenues are recorded upon sale of goods or provision of service when collection is reasonably assured.

(g) NON-FINANCIAL ASSETS

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the Change in Net Financial Assets for the year.

(i) Tangible capital assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributed to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital asset is amortized on a straight-line basis over their estimated useful life as follows:

Land improvements	15 years
Buildings	40 years
Vehicles	10 to 20 years
Furniture and equipment	5 to 20 years
Roads	20 to 40 years
Bridges and infrastructure	40 to 75 years

Assets under construction are not amortized until the asset is available for productive use.

(ii) Contributions of tangible capital assets

Tangible capital assets received as contributions are recorded at their fair value at the date received and also are recorded as revenue.

The municipality has accrued an estimate of its liability, based on its acknowledgement that it will be liable for some of the associated costs. ## INDEPENDENT AUDITOR'S REPORT

---

To the Members of Council, Inhabitants and Ratepayers of: The Corporation of the Town of Erin

We have audited the accompanying financial statements of the trust funds of The Corporation of the Town of Erin, which comprise the statement of financial position as at December 31, 2015 and the statement of continuity for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, these financial statements present fairly, in all material respects, the financial position of the trust funds of The Corporation of the Town of Erin as at December 31, 2015 and the consolidated results of its operations for the year then ended in accordance with Canadian public sector accounting standards.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2015**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of the trust funds of The Corporation of the Town of Erin are the representation of management prepared in accordance with Canadian generally accepted accounting principles for governments as established by the Public Sector Accounting Board. Since precise determination of many assets and liabilities is dependent upon future events, the preparation of periodic financial statements necessarily involves the use of estimates and approximations. These have been made using careful judgments.

(a) **BASIS OF ACCOUNTING**

- (i) Sources of financing and expenditures are reported on the accrual basis of accounting with the exception of principal and interest on long term liabilities which are charged against operations in the periods in which they are paid. The principal and interest charges are not accrued for the periods from the dates of the latest instalment payments to the end of the financial year.
- (ii) The accrual basis of accounting recognizes revenues as they become available and measurable. Expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

**2. INVESTMENTS**

Trust fund investments are fixed income securities and are recorded at amortized cost.
