Notes:
1. Section 21 of the Drainage Act, RSO 1990 requires that assessments be shown opposite each parcel of land and road affected. The affected parcels of land have been identified using the roll number from the last revised assessment roll for the Township. For convenience only, the owners' names as shown by the last revised assessment roll, has also been included.

Notes:

- Section 21 of the Drainage Act, RSO 1990 requires that assessments be shown opposite each parcel of land and road affected. The affected parcels of land have been identified using the roll number from the last revised assessment roll for the Township. For convenience only, the owners' names as shown by the last revised assessment roll, has also been included.
- Amounts are not payable at this time. They determine share of future maintenance costs.

- Notes:
- Section 21 of the Drainage Act, RSO 1990 requires that assessments be shown opposite each p of land and road affected. The affected parcels of land have been identified using the roll numb the last revised assessment roll for the Township. For convenience only, the owners' names as by the last revised assessment roll, has also been included.
 - Amounts are not payable at this time. They determine share of future maintenance costs.

Notes:

1. The above lands marked "F" are currently classified as agricultural according to OMAFRA and are therefore entitled to a 1/3 grant.
2. Section 21 of the Drainage Act, RSO 1990 requires that assessments be shown opposite each parcel of land and road affected. The affected parcels of land have been identified using the roll number from the last revised assessment roll for the Township. For convenience only, the owners' names as shown by the last revised assessment roll, has also been included.
3. The value of the assessments identified in this schedule are estimates only, and should not be considered final.
