## ***DEVELOPMENT CHARGES***

### Purpose of Development Charges

Development charges provide for the recovery of growth-related capital expenditures which result from new development within the Town of Erin boundaries.

The Town of Erin passed By-law No. 2014-35 on July 22<sup>nd</sup>, 2014 under subsection 2(1) of the *Development Charges Act, 1997*. This By-law identifies 'Town-wide services' and 'Water supply services' and includes a schedule of rates which apply to both residential and non-residential development. On an annual basis (Jan 1<sup>st</sup>), these rates are indexed.

### Development Charges Rules

The rules for determining if a development charge is payable in a particular case and for determining the amount of the charge are as follows:

1. The development charge by-law applies to all lands in the Town of Erin.
2. Development charges are payable prior to issuance of a building permit.
3. The following uses are wholly exempt from development charges under this by-law:
  - Lands, buildings or structures used or to be used for a place of worship or for the purposes of a cemetery or burial ground exempt from taxation under the *Assessment Act*;
  - A public hospital receiving aid under the *Public Hospitals Act*, R.S.O. 1990, Chap.P.40, as amended, or any successor thereof; and
  - The development of non-residential farm buildings constructed for bona fide farm uses, which qualify as a farm business, being that which operates with a valid Farm Business Registration Number and is assessed in the Farmland Realty Tax Class.
4. Development charges imposed pursuant to this By-law shall be adjusted annually, without amendment to this By-law, commencing on January 1<sup>st</sup> each year thereafter, in accordance with the prescribed index in the Act.
