

THE CORPORATION OF THE TOWN OF ERIN

**MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT
RECONSTRUCTION OF STRUCTURE 2061
NOTICE OF STUDY COMMENCEMENT**

The Town of Erin is proceeding to determine the options for the reconstruction of Structure 2061 along the Upper Eramosa River. The options will address the Structures advanced state of deterioration and substandard width. Structure 2061 is a 3.6 m span T-Beam structure located on Sideroad 24 approximately 0.40 km east of 5th Line in the Town of Erin.

This project will be conducted in accordance with the requirements of a **Schedule "B"** study under the **Municipal Class Environmental Assessment** (Municipal Engineers Association, June 2000 as amended in 2007 & 2011) which is an approved process under the Ontario Environmental Assessment Act. As part of this process, a Public Notice has been placed in the Erin Advocate, Wellington Advertiser and on the Town of Erin website.

Project information can be found on the Town's website under the following link; <http://www.erin.ca/Notices/> and at the Town of Erin Public Works Department, 5684 Trafalgar Road, Hillsburgh, ON N0B 1Z0 Telephone: (519) 855-4407

Public input and comment are invited, for incorporation into the planning and design of this project, and will be received until October 27th, 2014. Subject to comments received and the receipt of necessary approvals, the Town of Erin intends to proceed with the planning, design and construction of this project, to be completed by Fall, 2015.

This Notice issued September 24th, 2014.
