

# **APPLICATION FOR CONSENT – LOT LINE ADJUSTMENT**

## PLEASE REVIEW THE FOLLOWING APPLICATION GUIDELINES (Instruction Page 2 must be signed and returned with application form)

## PRE-CONSULTATION:

The County of Wellington strongly encourages applicants to pre-consult with County planning staff prior to submitting an application for consent. Please contact the Planning and Development Department to discuss your proposal. 519-837-2600, ext. 2170 or 2160

## **APPLICATION FEE:**

The fee for processing a consent application through the County of Wellington Planning and Land Division Committee is payable to the Treasurer of the Wellington County in cash or by cheque. NSF payments will result in the application being considered as incomplete subject to a "NSF" charge. Current fee amounts and other information can be obtained by calling the Land Division Office at 519-837-2600, ext. 2170 or 2160

## **CONSERVATION REVIEW FEE:**

A conservation review fee is payment for obtaining a report/review from the appropriate Conservation Authority on an application which is in the Conservation Authority's area of review. This fee must be sent in with your application and is payable to the appropriate Conservation Authority. For details regarding the conservation review fee, please contact the appropriate Conservation Authority for the subject property.

### SOURCE WATER PROTECTION REVIEW:

As required by the Clean Water Act, sources of municipal water supply are to be protected from potential contamination. Source protection plans have been prepared and approved by the Province to address this matter. If it is determined that if your property is subject to a Source Protection Plan in effect, you will need to complete a **Source Water Protection Screening Form** and submit it with your planning application. Your application cannot be deemed complete until a written statement is issued by the Risk Management Officer under to the Clean Water Act.

## **APPLICATION FORM:**

Each application must be filled out completely and clearly, and must be accompanied by a copy of your current deed and an Ontario Land Surveyor's severance sketch. Incomplete applications and sketches will be returned without further processing until the corrected material is filed.

Please note: one application and fee is required per consent certificate.

## **APPLICATION SKETCH:**

The Planning and Land Division Committee **requires that all severance sketches be prepared by an Ontario Land Surveyor**. If the sketch does not contain the proper details or is not clear, the processing of the application may be impeded or result in the Planning and Land Division Committee dismissing the application due to lack of information and clarity.

## SKETCH DETAILS:

The OLS survey sketch shall include, as a minimum, the following details:

- 1. all abutting lands owned by the owner (if any) and their boundaries and dimensions;
- 2. the distance between the owner's lands and the nearest lot line or appropriate landmark;
- 3. the parcel of land that is the subject of the application, its boundaries and dimensions, the part of the parcel that is to be severed, the part to be retained, and the location of all land previously severed
- 4. the approximate location of all natural and artificial features on the subject lands (e.g. buildings, railway, highways, watercourses, drainage ditches, banks, wetlands, wooded areas, wells and septic tanks), and the location of any of these features on adjacent lands that may affect this application;
- 5. the existing uses of adjoining land (e.g. residential, agricultural, extractive, cottage, commercial, etc.);
- 6. the location, width and names of all road allowances, right-of-ways, streets or highways within or abutting the property and indicating whether they are public traveled roads, private roads, rights-of-way or unopened road allowances, boat docking and parking facilities on mainland where access is by water;
- 7. the location of any propane operation within 750 metres of the proposed subject lands;

- 8. the location and nature of any restrictive covenant or easement affecting the subject lands;
- 9. the location of <u>all barns, livestock operations, and manure storage areas within 500 metres</u> of the proposed lot;
- 10. the location of the subject lands within the local municipality.

If the sketch is larger than 11" X 17", 8 additional copies of this larger sketch must be submitted with the application for distribution to reporting agencies and to the Planning and Land Division Committee --- ONE COPY MUST BE 11" X 17" or SMALLER (e.g. 8 ½" X 14", 8 ½" x 11")

**MEASUREMENTS:** Measurements may be expressed in metric or imperial units

#### ROAD NAMES, CIVIC ADDRESSES:

Please use the street names and property addresses on the O.L.S. sketch which have been adopted by local municipalities as the civic address of the property which is the subject of the application.

#### FARM DATA SHEETS:

The applicant is required to complete Farm Data Sheets (available from the County of Wellington) for all barns within 500 metres of the lot to be severed. This information will facilitate evaluation of MDS requirements. Please ask for this supplemental information package when you obtain an application form for severances in the rural areas (areas outside cities, towns, villages, hamlets, etc.) NOTE: The Farm Data information must be current at the time of submission.

#### LIST OF NEIGHBOURS:

A submission of complete names and mailing addresses with postal codes of each owner within 60 metres of the subject land must be submitted with application. Reviewed by, dated by, and signed by staff of the local municipality as being the most current information. The ONUS is on the owner/applicant to provide this information.

#### **POSTING OF "NOTICE CARDS":**

Yellow "Notice Cards" will be mailed to you after your application has been accepted by the Land Division Staff as being complete. These "Notice Cards" are then to be posted immediately on stakes at each front corner of the proposed lot to be severed, and are to remain there until the appeal period on the Planning and Land Division Committee's decision has been completed. This assists the reporting agencies in visiting the site and in preparing their reports, and for notifying the public of the proposed application. **Check frequently to ensure that the cards are in place.** If the "Notice Cards" are determined to have not been posted for this time frame, the Planning and Land Division Committee is not in a position to consider the application.

#### ATTENDANCE AT LAND DIVISION MEETING:

Applicants are encouraged to attend when the Planning and Land Division Committee considers the application. If the applicant or authorized agent does not attend, the Committee will still consider the application on the assigned day unless notice has been received by Land Division Staff that representation cannot be made for the assigned day and time. In the matter of "expedited files", no attendance before the Planning and Land Division Committee is required.
