RE: PROPOSED MOUNTAINVIEW WELL  
WELL DRILLING CONTRACT  
CONTRACT 4674-16  
OUR FILE: A4674C

Dear Sir:

Tenders for the drilling of the proposed municipal well at the intersection of Kenneth Avenue and the Ninth Line at the old Mountainview Well site were received and opened at the Town Municipal Office shortly after 2:00 p.m. on Wednesday, November 2, 2016.

Those present were Financial Analyst Larry Wheeler and Christine Furlong, P. Eng. from Triton Engineering.

The Tenders received were as follows:

<u>CONTRACTOR</u>		<u>TENDER PRICE</u>
Keith Lang Water Well Drilling Inc.	Goderich	\$36,140.38 (incl. HST)
Well Initiatives Limited	Elora	\$36,171.30 (incl. HST) (\$46,567.30 incl HST)
Davidson Drilling/Canadian Soil Drilling	Midhurst	\$40,258.51 (incl HST)
W.D. Hopper Limited	Seaforth	\$53,286.53 (incl. HST)

The above tenders have been checked for errors and omissions. There was an error in the addition for Well Initiatives Limited and the corrected price is shown above in brackets.

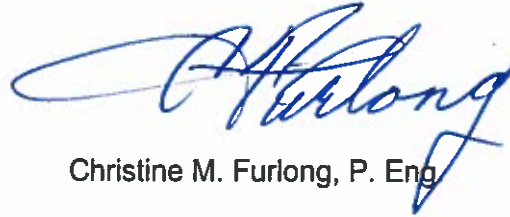

Keith Lang Water Well Drilling Inc. has extensive experience in the drilling, construction and testing of municipal groundwater supply wells in the Erin area. As the low tenderer, we recommend that Council award the contract to Keith Lang Water Well Drilling Inc. in the amount of \$36,140.38. We wish to note that this tender amount includes \$4,157.74 in HST.

We trust that this information is satisfactory for your present requirements and should you have any questions, please do not hesitate to contact our office.

Yours very truly,

TRITON ENGINEERING SERVICES LIMITED
