## **Staff Report**

**Report #**: 2016-19F

Date: December-7-16

Submitted By: Ursula D'Angelo

Subject: Final Draft 2017 Budget Report

#### **Recommendations:**

**Be it resolved that** Council receive the staff report Final Draft 2017 Budget Report on December 7, 2016.

**And that** Council approves an increase of \$261,000 to the infrastructure reserve transfer to a total of \$483,896.

**And that** Council will consider the 2017 Budget By-law for a total of \$10,647,126 in 2017 Operating Budget and \$5,631,626 in 2017 Capital Budget as circulated during this meeting

#### **Background:**

On November 23<sup>rd</sup>, the second Draft 2017 Budget was submitted to Council and the public was invited to deliberate. Public input was recorded and a summary of the public's deliberations and Town responses are included in Appendix A. Furthermore, Council approved the 2017 Base Budget, deliberated the recommended resource requests and capital projects by departments and passed resolutions that either added or removed projects.

At the conclusion of the November meeting, an estimated tax rate increase of 2.53% was revealed; however, assessment growth figures had not been confirmed. In preparation for today's meeting, assessment growth revenues of \$220k, expenditures for resource requests and updates on transfer to and from reserves were added to the 2017 Base Budget. Based on the preliminary results, the Executive Team recommends a transfer of \$261,000 to infrastructure reserve to a total of \$483,896 for 2017. This would assist the Town to build up reserves for upcoming large capital projects that have been identified in the Town's Asset Management Plan and 5 Year Draft Capital Plan. Therefore, the recommended tax levy requirement to meet recommended expenditures of \$10.6m is \$120,000 or 2% tax rate increase representing \$28.51 for a home assessed at \$500,000.

#### 2017 Operating Budget

Revenues increased by \$220k over 2017 Base Budget due to assessment growth estimated at 3.68% of assessment values.

Below is a table summarizing changes to the revenues compared to 2017 Base Budget.

|                   | in        |
|-------------------|-----------|
| Revenues          | thousands |
| 2017 Base Budget  | \$ 10,307 |
| Assessment Growth | 220       |
| Total Revenues    | 10,527    |

Overall, expenditures are at \$10.6m and include \$501k funding for capital projects, increase of \$261k for infrastructure reserve transfer, \$187k resource requests, \$69k in labour costs and other costs such as a reduction of transfer to reserves by the Water Department to offset approved resource requests. Below is a table summarizing followed by explanations of the changes to the 2017 Base Budget.
