

Town of Erin COVID-19 Recreation Facility Procedures

ALL patrons are required to wear a mask at all times in all Town of Erin facilities until further notice. Upon entry to any facility, all patrons are required to fill out the Town of Erin Pre-Screening tool.

When you arrive at the facility, the dressing rooms in the building at the Erin Arena and Hillsburgh Arena, all participants are reminded that they are to keep 6 ft. / 2 m distancing from each other. **Masks must be worn at all times.**

Young participants without a parent will need to provide proof of Pre-Screening or their name and phone number and answer the COVID-19 questioner/waiver.

When entering the Arena lobby, players will follow the directional indicators towards the dressing rooms designated for on ice participants.

Spectators will follow the directional indicators towards the Arena stands where social distancing markers are indicated.

Lobby viewing is currently unavailable and spectators will be asked to leave

Once the rental is over all participants and spectators are required to leave the Arena and lobby within **30-minutes and proceed directly to the parking lot.** Gathering in the lobby will not be permitted.

Individuals, groups and organizations that don't adhere to the facility rules outlined in this document or posted in the facility can be penalized with a 2-week suspension from using the Town of Erin Facilities.

As organizations, permit holders and on ice coaches you are responsible for your group the entire time they are on the premises and their adherence to the rules. **TOWN OF ERIN PRE-SCREENING TOOL (Must be complete to enter)** Patrons are strongly encouraged to have filled out the pre-screen prior to entry.
