PRE-AUTHORIZED PAYMENT PLAN
FOR TAXES

Due Date – The amount will be deducted directly from your bank account on the installment due date.

Monthly – The **previous year's tax levy, less any credit on account**, is divided into 10 equal payments. This amount will be deducted directly from your bank account on the **FIRST FRIDAY** of each month from January to October. Any remaining balance due for your taxes will be deducted directly from your bank account on the **FIRST FRIDAY** of November.

User Defined – This is a 12 month plan for Property Tax account in arrears, with the goal of moving to a monthly plan once taxes are current. The negotiated amount is deducted directly from your bank account on the last Friday of the month.

Terms and Conditions:

Enrollment in the pre-authorized payment plan is automatically renewed each year and information about the next year's payment amount will be sent you.

As taxes are calculated based on assessment value, if there is any change in your assessment value from the previous year you will have two options:

1. Contact this office to adjust the monthly withdrawal amount.
2. Withdraw from the pre-authorized payment plan.

If, **FOR ANY REASON**, a payment is returned, you will be subject to a finance charge and applicable penalties. The bank will make a second attempt to withdraw in the same month. The bank will notify this office of the date of the second withdrawal attempt. If any two payments should be returned, your enrollment in the pre-authorized payment (pap) plan may be terminated.

If, **FOR ANY REASON**, you wish to be removed from this payment plan, or if your banking information changes, **YOU MUST** notify the Town office **IN WRITING** at least **THIRTY (30) DAYS BEFORE** the next pre-authorized payment is due.
