TOWN COMPlete Application Public Consultation Strategy Requirement

Town Official Plan Amendment Application

As per O. Reg 543/06, as amended, a strategy for consulting with the public is required to be submitted by the proponent of an Official Plan Amendment application before it can be deemed "complete" as defined by the Planning Act. Please discuss your proposal with Town/County Planning staff prior to the submission of any applications.

Please select any and all forms of further public consultation that you, as the applicant / agent / owner intend to undertake, if any, beyond the formal notification requirements of the *Planning Act* outlined above.

	Post signs within a common area (for multi-residential buildings and developments);
	Provide additional advertisement of the proposal and public meeting in a local newspaper (Please discuss with County planning staff prior to initiating);
