

# Construction Notice

August 21, 2023

## TOWN OF ERIN ELORA-CATARACT TRAIL SEWER

**Contract: 2022-04W**

The Elora-Cataract Trail (Trail) between Trafalgar Road in Hillsburgh and Main Street in Erin Village, highlighted as the red line on the map below, will be closed to the public starting September 5, 2023 for the construction of the Town of Erin trail sewer. Construction will start the week of September 11, 2023 with the removal of trees and vegetation by the Town’s Contractor, Nabolsy Contracting / Snow Brothers Contracting.

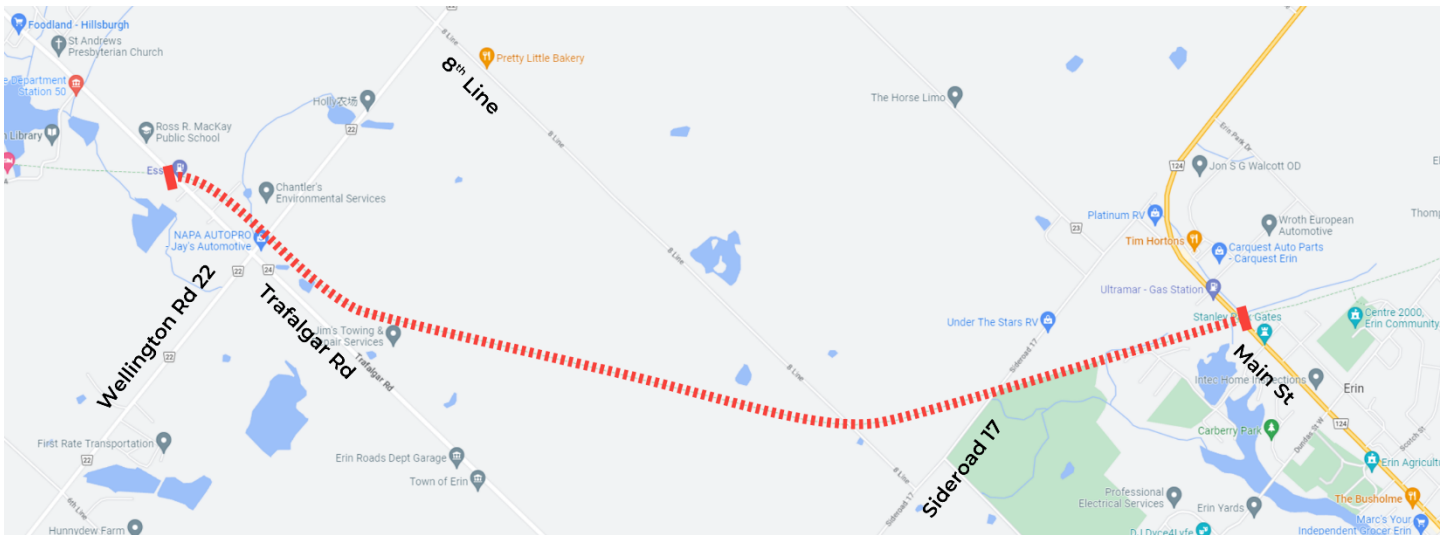

Tree and vegetation removal activities are expected to be completed within 6-8 weeks of the start date and will be immediately followed by installation of the sewer, which is anticipated to last for approximately 20 months. Following completion of the sewer installation, the Trail will be restored with new trees and vegetation.

**Anticipated Tree Removal Period: September – November 2023**

**Anticipated Sewer Construction & Restoration Period: November 2023 – June 2025**

*\*Timeline is subject to change.*

### MAP OF THE ELORA-CATARACT TRAIL WORK AREA

### WORK DETAILS

The Town’s Contractor will be installing a sanitary gravity sewer and watermain along the Trail, including the replacement and upgrade of thirteen culverts crossing the trail.

Due to the open-cut construction method required for the installation of the gravity sewer along the Trail, the Town’s Contractor will have to remove trees and shrubs along the pipe alignment. Tree removals have been minimized to the greatest possible extent.

# Construction Notice

Once the gravity sewer installation is completed, the Trail pathway will be restored to a better condition and all trees that are removed will be replaced with approximately four times as many new trees. In all, approximately 20,000 trees will be planted back onto the trail and on other properties within the Town.

## WHAT TO EXPECT DURING CONSTRUCTION

- The Trail will be closed for the duration of tree removal and sewer construction.
- You may experience other inconveniences such as road restrictions, increased truck traffic, dirt on roads, dust and noise. The Town, along with the Contactor, will make every effort to minimize these impacts to the community.
- The Town will not be responsible for damage to any privately owned items on Town or County property.

	<b>Work Hours:</b> Work will take place from 7:00 a.m. to 7:00 p.m., Monday to Friday. Work after hours or on weekends may be required during the course of construction.
	<p><b>Traffic Management:</b> Efforts will be made to manage traffic around the work area for the safety of workers, road users and residents. Road users should expect delays and increased traffic at Trail access points at Main St. in Erin Village, Sideroad 17, Wellington Road 22 and Trafalgar Road in Hillsburgh.</p> <p><b>Traffic on roads at the trail intersections may temporarily be reduced to one lane during the construction period for trail access by the Contractor.</b></p> <p><b>Access for emergency vehicles and pedestrians will be maintained at all times.</b></p>

## MORE INFORMATION AND CONSTRUCTION UPDATES

This work is being done to support the needs of the Hillsburgh and Erin Village communities by removing reliance on existing septic systems while creating new opportunities for measured growth within the Town over the next two decades. This project is part of the Council-approved Erin Wastewater Servicing Project.

We apologize for any inconvenience caused and thank you for your cooperation and patience as we work to improve the infrastructure in Hillsburgh and Erin Village.
