Statement of cultural heritage value or interest

21 Trafalgar Road is a representative example of a place of worship built in a Gothic Revival architectural style. The two-storey, symmetrically balanced red brick building follows a rectangular plan and gable roof and is legible as a place of worship. The dichromatic brick work, comprised of red and buff brick, is expressed on the unique chalice ornament under the front gable, quoins, window and door treatments and around the date stone which reads: "Baptist Church A.D. 1888". Noticeable Gothic Revival architectural design features are the tall lancet windows and large pointed arch doorway which create a vertical emphasis. Specifically, the pointed arch door opening includes a trefoil detail and window tracery, also carried through to the lancet windows on the façade and side elevations, and both the window and door surrounds are comprised of alternating red and buff brick decorative voussoirs that resemble hood moulds and are finished with stone sills.

21 Trafalgar Road is directly associated with the Baptist Church and congregation in Hillsburgh. The Baptist congregation in Hillsburgh was first organized around 1853 with George Henshaw serving as the clerk and Elder Picard as the first Reverend. 21 Trafalgar Road represents the location of the Baptist Church from 1862 until the present, however, accordingly to the date stone, the current building was constructed in 1888 and is believed to have incorporated the original frame structure. In 1891, a stone wall was constructed at the front of the property, along with handrails for the stairs and a carriage platform. The location and building have served the community of Hillsburgh as the Baptist Church for over 130 years.

21 Trafalgar Road is important in supporting the 19th century character of Trafalgar Road in the historic village of Hillsburgh. The streetscape is comprised of predominantly one to two-and-a-half storey residential and commercial buildings of primarily brick construction and with modest setbacks along the street. Furthermore, the stylistic similarities between several properties strengthens their contribution to the historic character of the atmosphere of the area including red brick construction with dichromatic brickwork, decorative woodwork. 21 Trafalgar Road contributes to the historic fabric of the streetscape and exhibits setback, massing and decorative details such as dichromatic brickwork consistent with the streetscape.
