Re: 4910 Tenth Line
Erin, ON

An onsite inspection of this property was conducted by myself on Friday, November 15, 2024 to assess the need for a Tree Inventory/Preservation Plan and Arborist Report in preparation of a Zoning By-Law Amendment application.

In reviewing the drawings of the proposed construction and having visited the site in person it is my professional determination that no trees will be impacted by this proposal eliminating the need for a Tree Inventory/Preservation Plan and Arborist Report.
